CHEMISTRY UNDERGRADUATE ALUMNI SEMINAR

Drake Johnson
B.S. 2019

Friday 10/29 at 3pm-4:15pm in Cox 214

Please join us for a research seminar and Q&A by two NC State Chemistry undergraduate program alumni. This event is geared specifically for an undergraduate audience to allow for an open discussion of science and speaker experiences as undergraduate and graduate students in chemistry.

**In-person seating is prioritized for undergraduate students and is available by registering [here](#).
All other interested attendees are welcome to join the Zoom session by registering [here](#).**

Organized and sponsored by the Department of Chemistry DEI Committee
